

std::runtime_error

```
classDiagram
    NIFException --|> std::runtime_error
```

The diagram consists of two rectangular boxes. The top box is white with a thin black border and is divided into three horizontal sections. The top section contains the text 'std::runtime_error', while the two bottom sections are empty. The bottom box is gray with a thick black border and is also divided into three horizontal sections. The top section contains the text 'NIFException', the middle section is empty, and the bottom section contains the text '+ NIFException()'. A blue arrow with an open triangular head points from the top center of the gray box to the bottom center of the white box, indicating an inheritance relationship.

NIFException

+ NIFException()
